INTRODUCTION

The 25th International Arab Conference on Information Technology (ACIT'2024) is a forum for scientists, engineers, and practitioners to present their latest research, results, ideas, developments, and applications in all areas of information technology. ACIT'2024 will include presentations to contributed papers and state-of-the-art lectures by invited keynote speakers. Tutorials on current issues and panel sessions on the new trends related to information technology and software industry could be organized. This conference is considered the official scientific conference for the Colleges of Computer and Information Society, stemming from the Association of Arab Universities. The permanent General Secretariat of ACIT is hosted by Zarqa University, Jordan. The conference will be held in cooperation with the University of Business and Technology-UBT, Jeddah –KSA.

LOCATION

ACIT'2024 will be held at Zarqa University, located to the east of Zarqa City, just 6 Km away, to be the first private university in Zarqa Governorate. It is about 20 Km the north eastern from the central capital Amman, the old Philadelphia. Jordan is a young country dense with history and a well-traveled bridge between sea and desert, east and west. Jordan provides monuments from every age of the humanity, crowned by the rosy rock-carved city of Petra, a world heritage site. Petra and other Jordanian cities offer visitors beautiful holly and tourist sites such as Jerash, Madaba, Karak, Dead Sea, Rum Valley, River of Jordan, Maeen hot springs, and others. This strategic area was settled or crossed by restless cast of characters including Ammonites, Assyrians, Babylonians, Persians, Greeks, Romans, Byzantines, Umayyads, and Crusaders.

TOPICS. Topics of interest include, but are not limited to:

- Artificial Intelligence,
- Data Science.
- Computer Graphics.
- Cybersecurity.
- Human Computer Interaction and Information Systems.
- IT in Education, Business, Healthcare, Law, Media, and other sectors.
- Image Processing.
- Networks, Internet of things (IoT) & embedded systems.
- Natural Language Processing.
- Parallel & Distributed Systems.
- Software Engineering.
- Data Management.

SUBMISSION OF PAPERS

Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements. Authors are invited to submit papers as Microsoft Word documents using the IEEE format.

The paper template can be downloaded from the following website:
https://www.ieee.org/conferences_events/conferences/publishing/templates.html.
Electronic submission of papers should be made via ACIT OpenConf:
<http://acit2k.org/openconf/openconf.php>. It can be accessed via ACIT web site at www.acit2k.org/ACIT/index.php/acit2024.

Questions regarding submission should be directed to acit@ccis2k.org. Accepted papers for authors who complete registration will be published by ACIT, and the conference proceedings will be submitted for inclusion to IEEE Xplore.

Authors of the best-selected papers presented at the conference will be invited to prepare an extended version of their papers to be considered for publication in a special edition of The International Arab Journal of Information Technology (IAJIT). IAJIT is a Worldwide recognized Journal and is indexed in major scientific databases. : ISI/SCI, SCOPUS, DBLP, among others.

EVALUATION PROCESS

The evaluation of submitted papers is based on the importance and usefulness of the research topic. Technical merits, novelty of the approach, soundness of results, and clarity of presentation are also considered as factors of the evaluation process. Each article will be fully refereed by a minimum of two specialized referees.
